Evidence of Teaching Effectiveness (Annual Input)

Examples of Course Improvements

Fall 2013, AREC 415–International Agricultural Trade

I revised nearly all material that was taught in class and changed the structure of the delivery by using small groups and various activities to use real world examples of theories taught in the course.

Fall 2013, AREC 328–Small Agribusiness Management

Specific examples to correspond with group project topics were used throughout the semester.
