February 25, 2014

Dear Seed Industry Member,

Happy 2014! Enclosed is your 2014 Membership Form. Your membership is important in keeping the Colorado Seed Industry Association active and involved in all of the issues that affect Colorado seedsmen throughout the year.

If you're wondering about the Colorado Seed Industry Association, it is an organization dedicated to the enhancement and support of Colorado seed businesses. We work with the Colorado Legislature, Colorado Department of Agriculture, Colorado Seed Growers Association, and Colorado State University in representing the voice of the Seed Industry in issues that affect you and your enterprise. We also provide educational opportunities and serve as a source of information and feedback to our members. An Annual Meeting is held each year which provides a forum for making new acquaintances, renewing friendships, establishing business relationships, developing trade opportunities and discussing issues affecting all involved in the Seed Industry.

We are the only recognized organization in the state of Colorado that represents the entire Seed Industry. We can better represent that assembly if we have input from its many participants. Join us and add to the base of professional seedsmen who are making a difference and defining the future of the Colorado Seed Industry. Please take the time now to fill out and send in the Membership Form with your dues. It is important that members return the Membership Form as soon as possible. Help us keep the voice of the Seed Industry strong!

Sincerely,

*Roberta Henes*

Roberta Henes  
President, Colorado Seed Industry Association  
Southwest Seed Inc. Dolores, CO

# Colorado Seed Industry Association 2014 Membership Application
