## Job Title
Farm Technician

## Job Description
Colorado State University – Agricultural Research, Development and Education Center (ARDEC) is a comprehensive research, education, and outreach facility in Fort Collins, Colorado. This part-time, temporary position from spring through fall is in the ARDEC plant science unit and is responsible for irrigating fields, along with grounds maintenance tasks such as mowing lawns, trimming, weed management, maintaining perimeter fencing of facility as well as general clean-up, pressure washing and other duties as assigned.

## Required Job Qualifications
- Valid driver's license.
- Applicant must be at least 18 years old.
- Experience with irrigation systems and farm equipment.
- Experience with grounds maintenance equipment such as mowers, weed trimmers and weed sprayers.
- Ability to work on weekends.
- Ability to meet the physical demands of this position include some heavy lifting and will require manual dexterity, stooping, kneeling, crouching, reaching, handling and talking.
- Ability to work in extreme temperatures as most work is outdoors in the heat of the summer.
- Interest and ability to work, collaborate and communicate in a team environment.
- Reflecting departmental and institutional values, candidates are expected to have the ability to advance the Colorado State University commitment to diversity and inclusion.
- Reliable, intuitive self-starter.
- A criminal background and motor vehicle check.
