

Animal Science Stewards Program Application 2018

The Animal Science Stewards are undergraduate student leaders in the College of Agriculture Sciences. Representing the major in Animal Science, in collaboration with Stewards of Equine Science, Animal Science Stewards work toward building community among all students, faculty and staff. Each Steward becomes a representative of the department, and is charged with outreach, mentoring, tours, industry engagement, and programming to create an inclusive environment that actively welcomes and supports students and guests of all backgrounds and identities.

The program will be limited to less than 15 students. To be considered for admittance, students must submit **both a current resume and a complete application no later than 5:00 pm Friday, February 9, 2018**. Applications should be sent to: amelia.king@colostate.edu or dropped by the Animal Science main office. An interview will be scheduled the following week for competitive candidates.

Regular Meetings – every/other **Wednesday from 5:30-6:30pm**

Potential Spring Events:

1. Spring Branding Banquet
2. Legends of Ranching Performance Horse Sale
3. Spring Graduation

Potential Fall Events:

1. Ram Welcome
2. Ag. Day
3. Fall Gather
4. National FFA Convention
5. National Western Stock Show

Program Requirements:

- Willingness to take initiative, accept responsibility and actively participate
- Students will not be on academic probation
- Students must professionally represent CSU, the Department & the Animal Science program at all time
- Must attend at least 80% of formal meetings
- Must actively participate in at least 2 events per semester
- Must lead a minimum of 3 prospective student tours per semester
- Failure to adhere to any of the above may result in dismissal from the program

Benefits to the Steward of Animal Science:

- Individual Interaction with faculty and staff
- Unlimited networking opportunities
- Opportunity to further enhance and develop your leadership and public speaking skills and to interact with other student leaders
- Industry, internship and potential job application resources
- Fundraising experience
- Leadership of Ram Welcome
- Mentorship experience
