

Citation

Dr. John Matsushima, a Colorado native and Professor Emeritus in the Department of Animal Sciences at Colorado State University, has dedicated his life to serving Colorado's livestock industry. During his distinguished academic career, he taught animal nutrition courses to more than 10,000 Animal Sciences students. In addition, John's pioneer work in the feedlot cattle research led to numerous contributions that helped shape the development of the commercial cattle feeding industry in Colorado and the United States.

The Livestock Leaders Council joins the Department of Animal Sciences at Colorado State University,
in selecting

John Matsushima

for the

2000 Livestock Leader Award
