Success at the 2013 National Western Stock Show

The 107th Annual National Western Stock Show (NWSS) was a success for the 2012-2013 CSU Seedstock Merchandising Team. The team held their "1st Annual" complimentary smoked sausage lunch in the yards, catered by the CSU Animal Sciences Graduate Student Association. At the lunch the team mingled with commercial cow/calf producers, Hereford and Angus breeders, and CSU alumni, students, and friends.

During the first week of NWSS, the team exhibited pens of Hereford bulls and heifers. The 4 bulls from our pen (Z219, Z226, Z233, and Z238) will sell in our March 23rd sale (see insert). During the second week of NWSS, we exhibited and sold a pen of 10 commercial angus heifers in the Bell Ringer Commercial Female Sale. The pen of heifers was recognized as Reserve Champion Commercial Heifers. Thus, the 2013 NWSS was the most successful for the CSU Seedstock Team in recent times.

Thank you to this year's team sponsors:
