

## HACCP Training Course

The HACCP course is designed to educate individuals in HACCP systems development, implementation, and management. The course is ideal for Plant HACCP Team Members, Plant Management Teams, Corporate Executives, and anyone whose job function will impact the facility HACCP Plan.

When you complete our course, you will receive a certificate of completion with the official seal of the International HACCP Alliance.

FSNS and Colorado State University will host an HACCP training course on July 11–12, 2017, located at:

CoBank Center for Agricultural Education  
4492 East County Road 56  
Fort Collins, Colorado 80524

### Price

- HACCP Training Course: \$695
- Collegiate (Student) Registration Fee: \$150

\* Register 4 weeks prior to the first day of the training course and receive 5% discount

\*\* Two or more employees from the same company receive an additional 10% discount

### Custom Courses Available

FSNS offers certified training programs that help you address a full range of plant, personnel and processes dealing with food safety and quality, as well as provide unique access to the food industry's leading technical authorities. Our customized training courses are designed to meet your specific needs and can be held at a location of your choice.
