Dear Student:

FarmHouse Fraternity would like to welcome you to Colorado State University. We understand that making the transition to college might be tough and challenging. We have developed a scholarship worth \$500.00 to help you with your transition. FarmHouse developed this scholarship because our motto states that we are builder of men. We would like to build you into a better man.

FarmHouse is a nationally known fraternity that was established in 1905. The national fraternity is based off four pillars; spiritual, intellectual, social, and physical. These pillars mark our every step and help us to grow and become a strong fraternity.

The Colorado State University FarmHouse chapter was founded in 1945. We currently have 20 members and are continuing to grow. There are currently nine members in the college of Ag, seven in the college of engineering, one in the college of construction, two in the college of natural resources, and one in the college of applied sciences. We have been ranked top three for the highest GPA for the past six semesters within the organizations and top ranked as well in the University itself.

This scholarship is **only** for new members of Colorado State University including transfer students and freshman. This scholarship is strictly for men and not women. This scholarship is a one-time offer that can help you in your transition to Colorado State University.

We will be offering \$250.00 to the top recipient as well as an additional \$250.00 if that recipient joins the house. This scholarship is a cash prize and can be spent in any way the recipient chooses.

Please fill out the scholarship on the following pages and send it back to Charles Michael Weber before May 1, 2011. Mail the applications to: 633 W. Lake St. Fort Collins, CO 80521.

If there are any questions or concerns feel free to contact Charles Michael Weber at 719.688.0556 or by e-mail of [cmweber@rams.colostate.edu](mailto:cmweber@rams.colostate.edu).

Sincerely,  
C. Michael Weber
