In order to be considered for scholarships from the College of Agricultural Sciences, this section **MUST** be completed. Any scholarship that is renewable also requires completion of the "Required Sections" and "College of Agricultural Sciences" section of the CSUSA every year to remain eligible.

The College of Agricultural Sciences strongly encourages each student to review the list of scholarships available and the criteria listed at the [Agricultural Sciences Scholarship Web Site](#). If you have any questions, please contact us.

1 If you are a new student for Fall 2014, and intend to declare a second major in the College of Agricultural Sciences, please list that second major.

2 Are you a former participant in the National Western Stock Show (NWSS) during the annual January show (showing livestock, judging, working in the volunteer or internship program, or participating in a sanctioned 4-H/FFA project)?

No ▼

Participation in shows held at NWSS at times other than the actual January stock show dates for each specific year does not qualify you for a NWSS scholarship. Participation in National Western 4-H Roundup or Pre-Denver Horse Show does not constitute eligibility. Must participate in NWSS January show.

**NOTE:**

You **MUST** submit a letter certifying your participation to qualify for the NWSS Scholarships. (This does not need to be done annually, only for new applicants.) The letter verifying your participation must be from the official sponsor (4-H, FFA, or sponsoring group advisor). Be sure that your name and CSUID number are noted in the letter. If no letter is received, you will **NOT** be considered for the NWSS scholarships. It is up to **YOU** to ensure your letter **IS RECEIVED** by the March 1 scholarship application deadline.

Mail letter directly to:

You may call (970) 491-0909 to ensure that your certification letter has been received.
