

January 2018

Hello

The Hoe and Hope Garden Club in Longmont, Colorado, will award a \$,1500 scholarship to a ¾ or full time Junior, senior, or graduate student majoring in one of the following: horticulture, environmental horticulture, landscape architecture, natural resources, or agriculture. I am contacting you to see if you could forward this information regarding the scholarship to members of your club.

The information about the scholarship is on this website:

<https://financialaid.colostate.edu/scholarships/>

Students should follow these steps.

1. Click on the link at the bottom of the page that says "Scholarships Outside of CSU".
2. In the "search by keyword" box, type in "hope". Scroll down to the Hoe and Hope Garden Club scholarship.
3. Click on visit.
4. Finally go to "Click here for college application".

Please contact me if you have any questions.
