February 12, 2013
Application period begins

July 1, 2013
Deadline for application submission

July 22, 2013
Scholarship recipient selected & notified

August 2013
Scholarship recipient announced on LawnCare.net

Our goal at LawnCare.net is to help you create a lawn that is truly a masterpiece through up-to-date videos and articles that answer all of your questions about lawn care and maintenance. We are dedicated to providing accurate information from our expert horticulturalist to become the place to go for lawn care advice on the web.

NOTE

By sending an email submission to us, you certify that all information provided is accurate to the best of your knowledge and that you have read and agree to the terms of this scholarship as outlined in the scholarship terms & rules found on our website.

We will never share or sell the information you submit through our scholarship with any third parties! Information collected will be used solely for determining the scholarship recipient and deleted thereafter.

SUSTAINABLE LawnCare Leaders SCHOLARSHIP

ABOUT THE SCHOLARSHIP

LawnCare.net is proud to offer our very first scholarship to an undergraduate student pursuing a career in sustainable botany, horticulture, landscape architecture, or a related field. We believe that sustainable practices are the key to a healthy planet and thriving environmental service industry. This scholarship is to help raise awareness about different sustainability efforts and why they are crucial for the success of those pursuing careers in these fields.

SCHOLARSHIP DETAILS

\$500 will be awarded to one student who shows outstanding potential to be a front-runner for green practices in his/her future career through evidence of sustainability advocacy from the choice of major/minor, work/internship experience, environmental clubs, or other related extracurricular activities. Candidates must be United States citizens or legal residents enrolled full-time at an accredited college, university, or trade school.

HOW TO APPLY

We will only be accepting applications via email. To be considered for the scholarship, send an email to info@lawncare.net with the subject line "Scholarship."

Include the following in your message:

- ◇ First Name
- ◇ Last Name
- ◇ Middle Initial
- ◇ Email Address
- ◇ Phone Number
- ◇ Country of Citizenship
- ◇ School Attending
- ◇ Graduation Year
- ◇ Major
- ◇ Minor
- ◇ GPA

An up-to-date copy of your resume so that we can see the experience you have in your field of study and evidence of sustainability advocacy.

Your 300-600 word response to the following prompt saved in a Word document:

*Why are you passionate about sustainability?
How have you been an advocate for "green" practices in your past activities?
What are 3 ideas you have for integrating sustainability into your future career?*
