

Application Information

Thanks for your interest in the **Master of Agriculture—Integrated Resource Management** program.

The GPA requirement for this program is 3.0. If you are below that GPA, you can still be considered for the program. Considerations would be the GPA, length of time since you graduated and what you have done since that time, and your letters of recommendation.

Advisor and IRM Director :

- Dr. Kraig Peel, IRM, University Square, Ft. Collins, CO 80523-4040
- Email = Kraig.Peel@ColoState.edu
