

April 4th, 2017 – Final meeting of the year.

Attendance:

Kynan franke – H+LA, undergrad (taking over for Carl)

Tim Koski – H+LA, grad

Stacy Endris – BSPM Grad

Anders – DARE Grad

Dusty – DARE undergrad

Carl – H+LA undergrad

Christina – animal science, undergrad

Brooke – environmental hort. Undergrad

Jake – IT

Nora – SOCR grad

1. Stacy – monitors, keyboards and mice. \$10,000 for both offices. 31 monitors for BSPM, 22 for soil and crop science.
\$8500 keyless access for both grad offices. Total \$18500. Passes unanimously.
2. Stacy- classroom renovation in bspm. Get a flat panel and two glass panels. Quote estimate is less than \$20,000. Installation is expensive. Passes unanimously.
3. Stacy- vote on conferencing system for bspm. Spend less than \$450. Stipulation has to be checked out at the main office. Passes unanimously. Stacy will talk with Ed about this.
4. Jake – software in progress, DARE printer in progress.
5. Carl and Kynan – talking about movie editing software for next year?
6. Jake – server updates, vdi(virtual desktop) really good for HLA students, video cards.
7. Christina – adobe programs for the fall? Update from CS6 and go to cloud base. NESB is a lab that classes can reserve. This prof needs to decide what he wants. Install some other photo editing software. We can do an email vote on it.
