Development of an Undergraduate Major Committee (DUMC)
February 6, 2019, 2:00 – 3:00 pm, C021 Plant Sciences
NOTES

Attendees: Cini, Franck, Frank, Jane, Janet, Pankaj, Vamsi, Todd, (not Tamla, Punya)

Handouts: Agenda, BSPM 430 in CIM, list of CPP tasks and responsibilities

*Tasks are assigned to those named in purple bold text.

1. Professional Development in Plant Health for Transfer Students – BSPM 320 (Vamsi)
    a. Combine BSPM 120, 130, 230
    b. Can join Punya's class for 1st 8 weeks.
    c. Franck and Vamsi will merge 130 and 230 for the second 8 weeks of the semester
    d. It will be a 2 credit course

2. Review New Core Course Syllabi/Proposals in CIM
    a. Committee members identified a number of typos that need to be fixed, but generally were in favor of the way the course is organized.
    b. Cini wants to lead a BSPM/ECOL 592 on systems dynamic modeling with STEALL in F19 to learn how to use STELLA and develop case studies appropriate for the course.

3. Timeline
    a. Start workflow Friday, 2/8/2019
    b. BSPM Education Committee input/approval – provide documents 2/8/2019
    c. BSPM faculty, staff, graduate student input/approval – provide documents 2/8/2019
        i. Faculty meeting Tuesday, 2/12/19
    d. Program and courses in CIM by begging of March. Vamsi will work on program proposal documents in CIM
    e. Comprehensive Program Proposal
        i. Review task assignments
        ii. To get started on your tasks use the CPP section of the new program document from Kelly Long that Cini emailed.
        iii. **Cini** will provide ANEQ/DARE major CPP to DUMC and find other examples to share.
    f. What resources needed?
        i. Cini sent DARE/ANEQ CPP
        ii. **Cini** will provide additional example undergraduate CPPs

4. DUMC meetings will be **Wednesdays, 2 – 3 pm, C021 Plant Sciences**, except 2/21 when we meet in E005 Plant Sciences.
