

Developing an Undergraduate Major Committee Meeting
29 November 2017, 10 am, E005 Plant Sciences

Focus group update: First focus group with Ag Ambassadors tonight. Focus group with Saint Vrain Valley FFA in next couple of weeks. Working on getting permission from Poudre School District (**Cini** will follow up)

Peer institution review subcommittee (**Cris**). No other subcommittee members for now.

Explore literature and CSU initiatives to document and provide rationale for major (**Cini** for 12/13 meeting)

- University initiatives that have taught us a lot about CSU students
 - *2006-16 Student Success Initiative 1*
 - Goals to increase enrollment, help students stay here once they come
 - *Student Success Initiative 2 – starting now*
 - We are not going to increase retention by limiting enrollment
 - Big dropoff when students choose a major. They don't find a place that feels like home to them
 - Look at SOURCE about SSI, 2 articles. Paul Thayer.

Data from Institutional research about patterns of student enrollment over the last decade or so

Begin developing curriculum (Start with SLOs)

- Student Learning Outcomes (SLOs) (**Cini** send these to committee)
- Backward design
- TILT resources (tiff files of slides)

Cini will gather docs Franck, Kirk and Cris provided earlier and send them to the committee

Begin exploring marketing

- **Cini** has contacted Dean Menon and will follow up

Timeline for Activities: **Cini** will prepare this for the next meeting

Next meetings will be:

- **Wednesday, December 6, 2017, E005 Plant Sciences**

Person responsible for task is indicated in **bold, purple text**.
