

Dear Parent or Guardian,

Your child has been offered an opportunity to participate in a focus group with Colorado State University regarding the development of a new Science major. The focus group is looking for information from current Science students regarding their interests in the Science field after graduation. By signing below, you give permission for your child to be part of this focus group taking place on (*date*) at Fort Collins High School from 3-4pm. An FCHS staff member will be in attendance during the focus group.

Attached you will find a general overview of the Focus Group Interview.
