

Driving instructions from Denver International Airport (DIA).

- Peña Blvd. west to E470 (toll road).
- E470 North to I-25.
- Continue on I-25 north to Prospect Road (exit 268).
- Turn left and head west (toward the mountains) 4 miles to College Ave.
- Turn right on College Ave. at the Taco Bell and quickly move to left lane.
- Turn left at first traffic light, Pitkin St., and head west.
- Immediately after the railroad tracks, turn right on Mason St., and continue north to stop sign.
- Turn left on University Ave., continue past the stop sign at Libbie Coy Way (formerly known as East Dr.).

Parking Options:

1. Park in the metered parking spaces across the street (north) of the Nutrien bldg.
2. Call Henry Thompson, John McGinley or Elizabeth Neil and they can meet you outside of the Nutrien Bldg. on University Ave and give you a hang tag for parking in areas designated as “A” (Blue) or “Z” (Yellow) lots (see page 2). Hang parking permit on windshield mirror; please be sure to scratch off the current day, month and year. Do not park in any “F” lots (federal lots) or your car will be ticketed and/or towed.

The Cancer Prevention Laboratory (CPL) is located in basement of the Plant Science building (307 University Ave.), just west of the Nutrien bldg. Please see page 2 for a detailed campus map and page 3 for contact info and the floor plan of the Plant Science building.
