Site Information

Plot Size: 5' x 15'

Seeding Rate: 8 lbs/ac

Planting date: 08/28/2007

Previous Crop: wheat

Fertilizer: 50-0-0

Flowering date: 05/16/2008

Harvest Date: 07/24/2008

Total Irrigation: 5 inches

Total Precipitation: 8.83 inches

Observations:

Good stand, few flower burn by frost at the beginning of flowering

Few stems were crack at the base
