EDUCATION

Colorado State University, Fort Collins, CO August 20XX - May 20XX

Doctor of Veterinary Medicine Candidate

AVMA Accredited College

Graduated in top 10% of class

Colorado State University, Fort Collins, CO August 20XX – May 20XX

Bachelor of Science in Biological Science and Biomedical Science

Queen Mary, University of London, London, UK December 20XX - May 20XX

Study Abroad in Chemical and Molecular Science

VETERINARY EXPERIENCE

Full-time Veterinary Nurse June 20XX – June 20XX

Chappelle Small Animal Hospital (AAHA), Fort Collins, CO

- Established history taking and client communication skills
- Explained medical treatment plans and recommendations to clients. Provided clients with written estimates
- Managed cases, with the induction and maintenance of anesthesia, patient positioning and acquisition of radiographs and consequential interpretation
- Involved in all aspects of excellent patient care, diagnostic evaluations and critical patient care
- Proficient in blood draws, IV catheter placement, and filling prescriptions
- Obtained and monitored ECG readings and blood pressures
- Administered injections, vaccines, anesthetics and medications
- Trained incoming veterinary technicians

Wildlife Veterinary Assistant May – June 20XX

Phola Veterinary Experience, Alldays, South Africa

- Practiced wildlife medicine for five weeks traveling South Africa with veterinarians, Dr. Dup du Plessis and Dr. Nicolene van der Berg through Vision Africa Wildlife Services
- Group leader for herd testing of 50 cape buffalo. Testing included darting and tranquilizing, blood draws for Tuberculosis and Brucella testing, rectal exams for pregnancy staging and ear tagging
- Chief assistant for darting a lioness. Monitored sedation and vitals, blood draw, pregnancy check and vaccinations
- Group leader for pre-veterinary students enrolled in the South Africa Predatory Course
- Other experiences included vaccinating two male lions, replacing a leopard radio collar, darting/treating various wild antelope species, emergency laceration repair on a male brown hyena, colic treatment for a standardbred mare, treatment of a ewe with a prolapsed vagina, multiple spays and neuters for village pets, wound care and laceration repairs and removal of a squamous cell tumor

Oncology Veterinary Assistant August 20XX - December 20XX

Colorado State University Veterinary Teaching Hospital, Fort Collins, CO

- Worked for 2 years alongside board certified oncologists and oncology residents, including Dr. Steve Withrow, Drs. Thamm, Burton, Lana and Ehrhart
- Assisted in restraint during chemotherapy administration
- Aided board-certified oncologists and surgeons in bone marrow core biopsies and cytologic examination
- Assisted oncology residents in research preparation for upcoming boards exam
- Administered pre and post surgical care
- Emphasized empathy with clients and aided in facilitation of end of life discussion
